In The Bag: Winter Travel

By Kim Taylor

It's the small things that often keep you on track when traveling, and with that in mind, we recommend these travel-friendly items for dazzling upon arrival:

Pluggz shoes are uber-comfortable flats, specifically designed to massage and support your feet. Ideal for planes and even in hotels as slip-ons to the spa or pool, they're also lightweight for traveling come in an array of styles and spring colors.
